my own sister died of it. My feelings may be imagined then, when the horrible disease made its appearance or my side. It was malignant Cancer, eating inwardly in such a way that it could not be cut out. Numerous rem-edies were used for it, but the Cancer grow steadily worse, until it seemed that I was doomed to follow the others of the family. I took Switt's Specific, which, rom the first day, forced out the poison, and continued to use until I had taken several bottles, when I found well, I know that S. S. S. oured me.
